Why general contractors and owners pick High Country

01 Accountable from bid to warranty
Our own employees on every roof. Michael or David Mast leads every job start to finish.

02 Certified, manufacturer-backed
Certified Duro-Last, FAR and Conklin contractor. Duro-Last inspects our finished roofs before it warrants them.

03 Problem solvers, not order takers
Restore or replace, we find the right fix for each roof and keep the building open while we work.

04 Whole-roof scope in house
Tear-off, decking, curbs, parapets, sheet metal, insulation, membrane, coatings and foam. One crew, one call.

05 Fast and local
Texts returned within the hour. 24-hour leak response for maintenance clients. We outwork the competition.
